

6 Sigma E-Quizzes & E-Learning

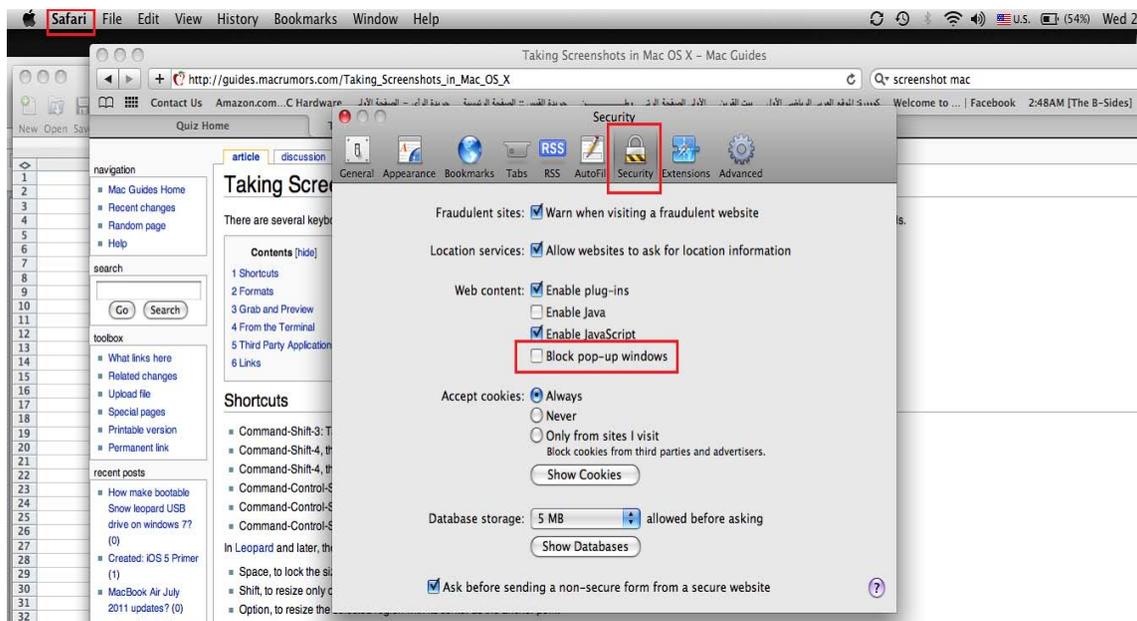

E-Platform - PC Settings

The below settings need to be configured before accessing the E-Platform:

I- Safari Users:

Unblock Pop-up windows:

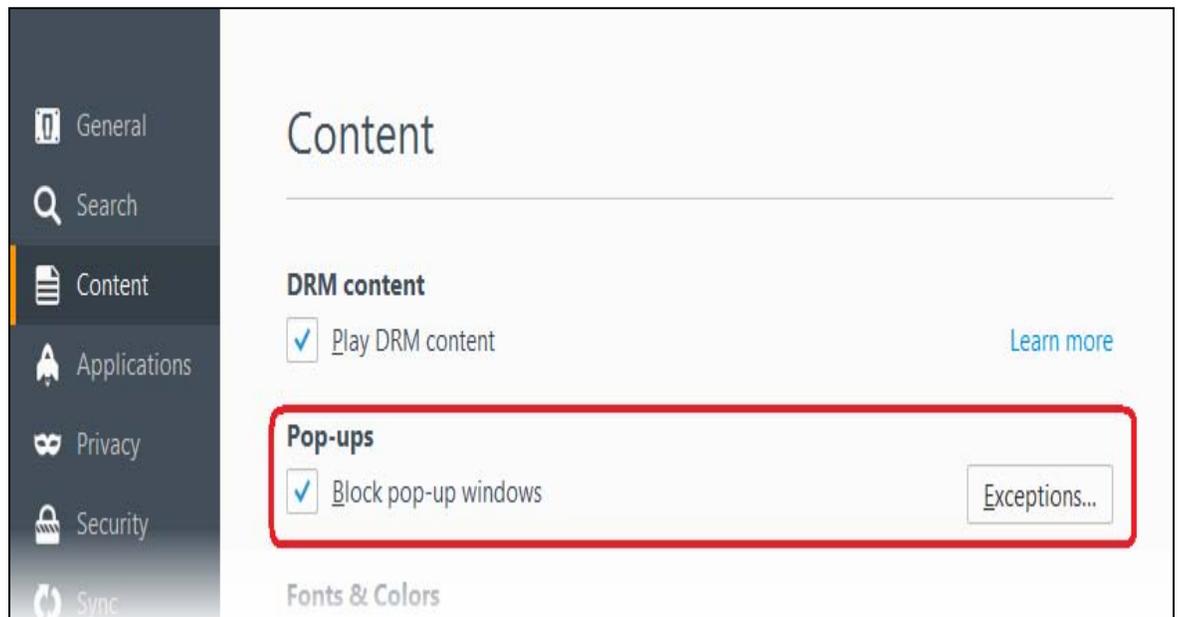

1. Click on Safari
2. Click on Preferences
3. Click on Security
4. Uncheck "Block pop-up windows"

II- Firefox Users:

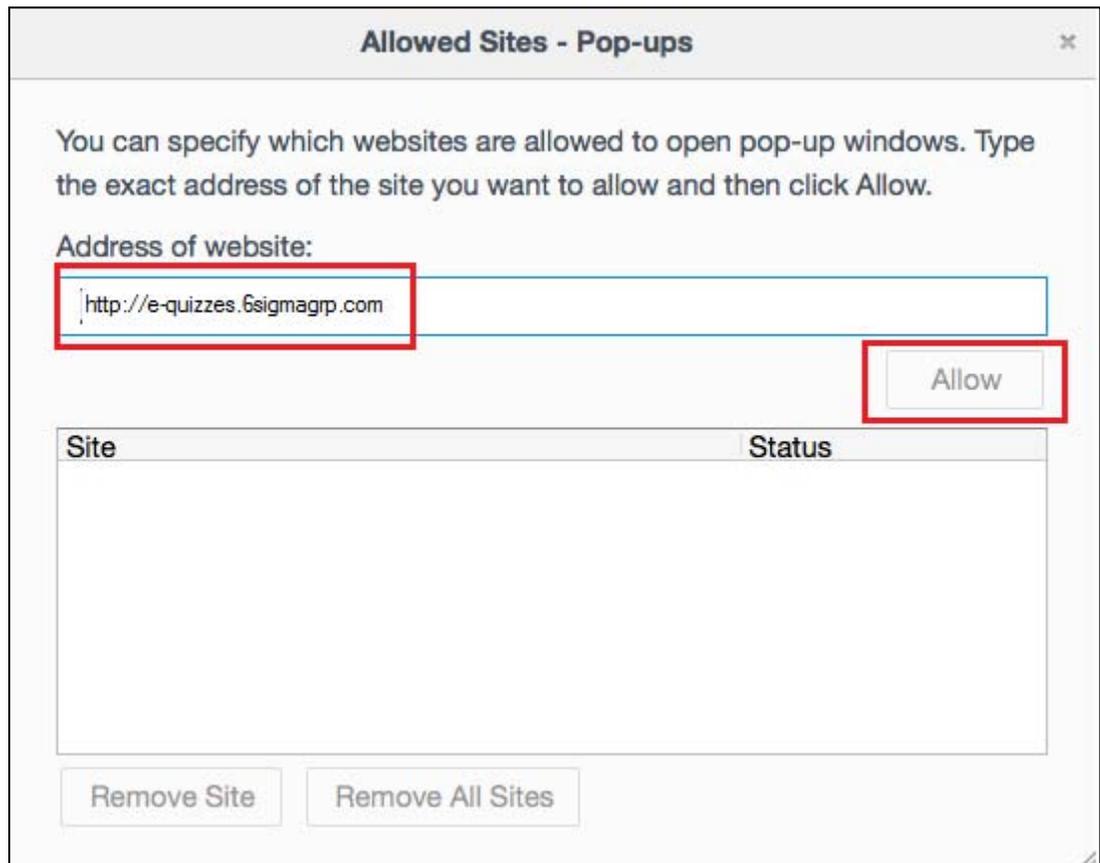

To access the pop-up blocker settings:

1. Click the menu button  and choose Options.
2. Select the Content panel.
3. **Block pop-up windows:** Uncheck this to disable the pop-up blocker altogether.
4. Exceptions: This is a list of sites that you want to allow to display pop-ups.

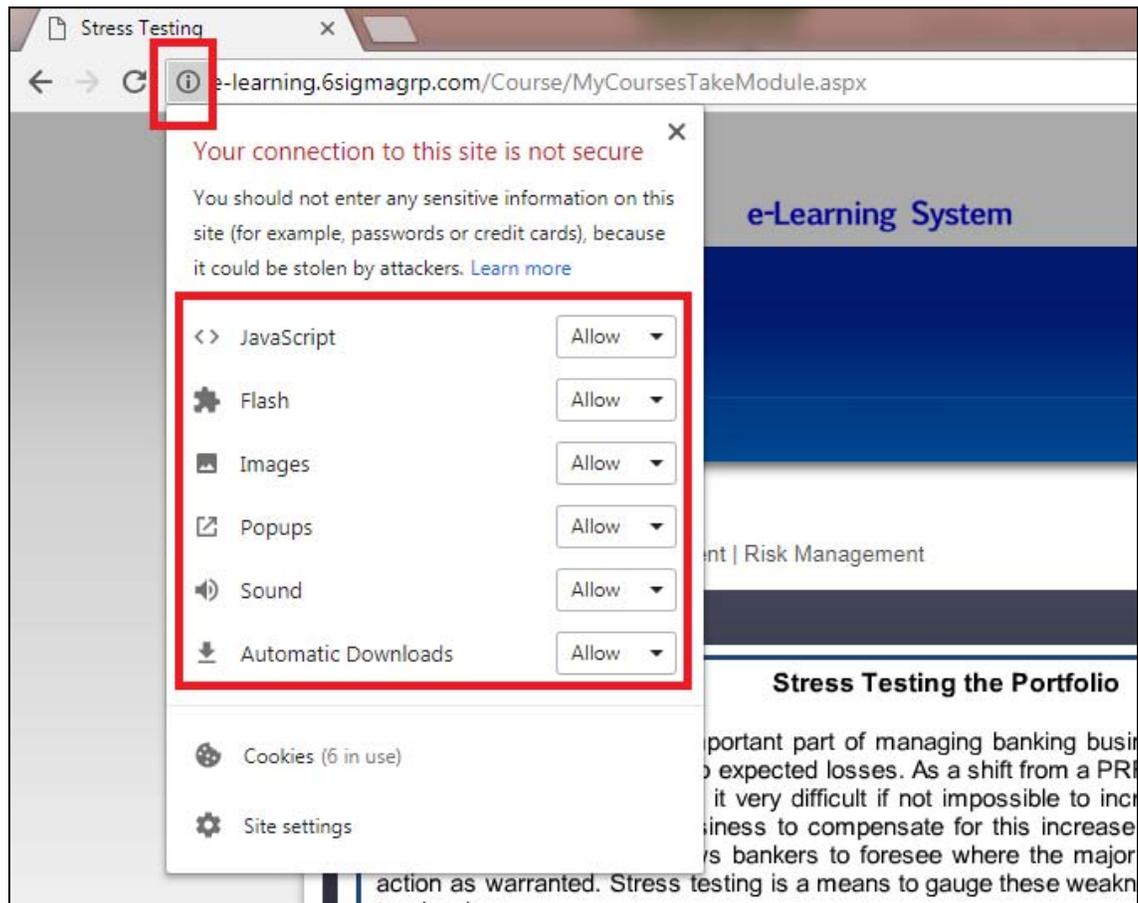

In the Exceptions, the dialog has the following choices:

1. Allow: Click this to add a website to the exceptions list.
2. Remove Site: Click this to remove a website from the exceptions list.
3. Remove All Sites: Click this to remove all of the websites in the exceptions list.

III- Chrome Users:

1. Open Chrome.
2. Find a page that has pop-ups blocked for you.
3. At the end of the address bar, click the pop-up blocker icon .
4. Click the link for the pop-up window you'd like to see.
5. To always see pop-ups for the site, select **Always show pop-ups from [site]**.
6. You can change this setting anytime by following the steps above, then unchecking "Always show pop-ups from [site]".
7. You should also Allow Flash, Images, Automatic Downloads, Sound etc... make it "Allow" not "Allow (default)" by clicking on the below icon preceding the link:
